

FAQ

Q: What would a typical day be like for my child at BYCS?

A: BYCS offers tours on most Thursdays when school is in session at 10:00 AM. for you to get a good picture of what is typical. We will also be happy to provide you with a schedule that is used in our classroom for your child's age.

Q: Is your program licensed?

A: Our weekday 3-day and 4-day program is licensed. Our Parents Day Out program, which is our 2-day program, is not required to be licensed because it only meets for a total of 11 hours per week. However, we follow the same guidelines for quality and safety in our 2-day program that we have for our 3-day, 4-day classes. The teachers in both programs are well-qualified and take 12 to 30 hours of continuing education every year.

Q: What does it mean that my child can be put on a waiting list?

A: If our classes fill up during registration, we will put your child on our waiting list based on when the registration form was received.

Q: I have called during the day to get information on your program and I get a recorded message. How can I get this information?

A: We are sorry we cannot always be reached immediately in our office as we are very committed during the day to assisting our teachers and children. If it is an emergency, please leave a message and your call will be returned ASAP. If you are simply wanting information about our weekday program, you may also visit our website at www.BrentwoodChildren.com or send us an email at BYCS@brentwoodbaptist.com.

Q: I am a member of Brentwood Baptist Church. We are currently not in the BYCS program. Are we guaranteed a spot for the next school year?

A: No, unfortunately not. Children currently enrolled in BYCS are the only ones who are guaranteed a spot for the next school year. Church members are the next group that fill the spots not taken by our current enrollment.

Q: How are children assigned to classes at BYCS?

A: Children are placed by date of birth with other children who are within a few months of their age.

Our Purpose

BYCS History

In August of 1972, with five classes and 47 children, Brentwood Young Children's School (BYCS) opened its doors. To meet the needs of a growing church and the community's young parents, the school has grown to 20 classes and 218 children. The children in our program come from a variety of denominations and religious faiths. BYCS has been the first and sometimes only church contact for some families. *What a wonderful ministry opportunity we have right in our own backyard!*
